

June 2020

Dear P7 Parents and Carers,

Tynecastle High School have made a new S1 welcome video for your children to watch. The children are welcomed by the Head Teacher, Depute Head Teacher and the Pupil Support Team. They have also answered the questions that were sent up by P7 pupils from across the cluster. Here is the link:

<https://cityofedinburgheducation.sharepoint.com/:v:/r/sites/THSS1Video/Shared%20Documents/Tynecastle%20S1%20Updated.mov?csf=1&web=1&e=coByW5>

They will post transition information to their website and we will also send it out by Parent Mail. The website is

<https://tynecastlehighschool.org.uk/>

From 11 August 2020, all Tynecastle High School students will experience a blended learning approach in line with all schools in the city and the Edinburgh Learns@Home offer. This will be a combination of learning in school and at home. As we plan for this change, it is essential that we gather the most up-to-date information about your situation at home with regard to internet access and devices so that we can best support your child in their learning at home.

Therefore, please can you complete the survey by either clicking the image above, scanning the QR Code or typing www.tinyurl.com/thsdigitalsurvey into your internet browser. If you have more than one child who will be attending Tynecastle High School in August 2020, please complete a survey for each child. As it is a branching survey it will take you to different options depending on the year group you enter as it has been sent out to all Tynecastle students.

Please contact the school using the admin mail box if there is any further supports that we can put in place for you or if you have any questions. admin@dalry.edin.sch.uk

Take care and stay safe.

Mrs Honeyman
