

# Primary 6 Intended Learning Plan

## What will we be learning this term?

### *Language - Reading, Writing, Listening and Talking*

In Literacy this term we will be focusing on improving our VCOP writing skills and carrying out weekly punctuation and grammar activities. These skills will help to enhance our understanding of different writing genres and develop the content of our personal and descriptive writing.

P6 will read every week with their reading group and will also be using a range of age-appropriate texts to further develop their comprehension and discussion skills.

Spelling will continue to be a weekly focus.

### *Mathematics*

Primary 6 will focus on improving their mental arithmetic skills through daily activities and interactive games. We will also be focusing on place value to 1 million and place value to 2 decimals places.

Additionally, we will also be revisiting Time and patterns and relationships.

Later this term, we will learn to answer real life word problems in the Daily Rigour, developing our ability to decode problems expressed in word form and looking closely at problem solving strategies and methods.

### *Social Studies*

Our first Social Studies topic of the year is Scotland's landscape and mapping. The class have highlighted the areas they would like to learn about including learning about continent names, country names, capital cities, rivers and railways on maps of Scotland, the UK, Europe and areas further afield.

In addition to this, we will be learning about children's rights in Scotland and making comparisons to those in other countries.

### *STEM*

Primary 6 are incredibly lucky to have 1:1 iPad's!

We will continue to develop and improve our skills on TEAMS.

The class will be issued with iPad contracts which highlight the importance of internet safety, copy right, appropriate use of apps and software and using the iPad respectfully and responsibly. Both Primary 6 pupils and parents need to read and sign these contracts.

In Science, P6 will be learning about **Our different body systems**, including digestion, circulation, and respiration and how to make healthy lifestyle choices.

## *Expressive Arts*

In art we will be creating self portraits and pop art names.

The class will also be researching European artists e.g Vincent Van Gogh or Pablo Picasso.

Primary 6 will continue to have their music lessons on a **Tuesday** with Mrs Ewen. This term, they will be learning to play melodic patterns and chords to accompany different songs on the ukulele.

## *Health & Well-Being*

We will be continuing with the Building Resilience programme. This term's focus is 'Look on the Bright Side'.

Additionally, P6 will be working on improving their Independence, Self-Organisation, Time keeping and Effective Listening skills.

Primary 6 will also continue to have PE with Mr Devine on a Wednesday and Friday. The focus this term will be on throwing and catching tactics for different sports games |

## *Ethos and Wider Life of the School*

- Please help your child to complete the Building Resilience, Look on the Bright Side, family task this term. This is a great opportunity for you to discuss personal experiences and help them to express their thoughts and possible solutions.

## *Planned opportunities for wider achievement*

- We have done a fantastic job of creating our P6 class charter and are embedding our school values to ensure we are all RESPECTED, INCLUDED, RESPONSIBLE AND KIND!
- P6 Pupils have exciting opportunities to apply for the positions of Clan Depute, Pupil Council Representative and Junior Road Safety Officer! Keep an eye out for information about these which your child will bring home.
- We are doing a lot of work on using the SHANARRI model to enhance our wellbeing. This has helped the class to support one another and ensure that we have a safe, happy and successful learning environment.

## *Dates for your diary and reminders*

- P6 need their PE kit (T-shirt, shorts/leggings and trainers/change of shoes) for Mr Devine's lessons on a Wednesday and Friday-please make sure your child has a change of clothes to wear after PE.
- Monday 19<sup>th</sup> September - Holiday, return Tuesday 20<sup>th</sup> September
- Please send the iPad contracts back to school ASAP
- Home Learning: The class will be set **weekly** homework on a **Monday**. They should complete a Spelling activity, novel reading and Numeracy/HWB task. We will go over our home learning together as a class on a Friday morning to share our learning and go over the weekly spelling. Please Support your child in completing these tasks.
