

# Breakfast Club at Dalry Primary School

(funded by LDC and Greggs Foundation)

Breakfast club at Dalry continues to offer a busy, nutritious start to the day for many of our pupils (and parents).

It offers a warm, sociable environment for everyone to recharge and refuel before the learning begins for the day.

"I love meeting my friends to chat before school, especially the ones who aren't in my class." (pupil)

"This gives me a chance to leave and catch an earlier bus, so we are never late but I know my children will enjoy a relaxing breakfast before school." (parent)

"It allows me to have an informal chat with many of our pupils to ensure any worries are discussed and their wellbeing is supported." (staff)
