

Hearts Innovation Centre – Primary Club Listings – 2023/24

Ready, Set, Lego! (P4-P7)

Robotic Adventures in STEM

Using the Lego Spike Essentials kit participants dive into the realms of STEM while exploring the world of robotics and its endless possibilities.

As part of a dynamic team, participants are empowered to channel their creativity, collaboration, and critical thinking skills to design, build, and code their very own robots. At this club, imagination knows no bounds!

Digital Movers + Shakers (P4-P7)

Move forward with Tech. Shake up the Sport. Change the Game.

Young individuals will be immersed in a diverse range of football-related technologies, featuring the choice of either 8 enriching after-school sessions or a 5-day holiday workshop that even includes breakfast and lunch.

As they explore the expanding role of data in football, discover technologies that champion inclusivity, and embrace alternative approaches to playing football, your children will be empowered to challenge the traditional norms of football, with aspirations to one day aim to change the game.
