

Primary 7 Intended Learning Plan

What will we be learning this term?

Language - Reading, Writing, Listening and Talking

In Literacy this term we are improving our skills in functional and imaginative writing. We are continuing to develop and vary our use of VCOP and sentence structure to make our writing even more interesting.

We will continue working on our note taking skills under specific headings to create our own new texts.

We are also enhancing our listening & talking skills through group discussion & presentations.

Mathematics

In Maths & Numeracy this term we will continue to develop our multiplication & division skills and use this knowledge to solve problems.

We will revise our overall understanding of fractions, percentages, and decimals.

We will develop our understanding of budgets in a real-life context.

We are also learning how to Interpret graphs, charts & signs and demonstrate how they are used to support planning, choices and decision making.

Social Studies

In Science, we will be learning about how key events and individuals have helped to shape the world we live in. We will reflect and comment on current scientific news items developing an appreciation of the contributions that individuals have made, or are making, to the world of science.

In RME we will research significant figures from world religions; focusing on what makes them inspirational and the impact that this has on the lives of others.

Technologies

In Technologies this term we will continue to use Microsoft one note to post our work.

We will be learning to write basic code (algorithms) using BBC micro bits. We will be learning how to use the sensors function and program the micro bits to enable us to play rock, paper, scissors, heads or tails, as well as making a step counter.

Expressive Arts

In Expressive Arts we will be concentrating on our end of year show. In Music we will be choosing songs for our Leaver's Assembly, rewriting the lyrics so that it is meaningful to Primary 7.

In Drama we will be preparing and performing a play script for the end of year assembly.

In Art we will be studying the work of Japanese artist Yayoi Kusama focusing on how to apply TONE, using oil pastels.

Health & Well-Being/RME

In Health and Well-being there will be a whole school focus on 'Respect Yourself' within the Building Resilience programme.

We will also be exploring how our friendships might change and adapt as we move on to high school. We will talk about how to make new friends and how to make a good first impression.

We will explain our own ambitions and how to achieve them through Our World of Work.

Ethos and Wider Life of the School

- Pupil Council
- Wet Weather Monitors
- P2 Reading Buddies.
- Primary 7 to host a Swiss teaching student for 3 weeks.

Planned opportunities for wider achievements.

- Art of Listening workshop
- Transition Events
