

Murieston Park Play Area Proposals

Edinburgh & Lothians Greenspace Trust (ELGT) were asked by City of Edinburgh Council to carry out a consultation with the local community about the play area of **Murieston Park**.

The results from the consultation were used by City of Edinburgh Council to redesign the play area and to deliver a new play park. **Please find the proposed plans below.**

The new play area design includes:

A revised fence line and repositioned gates to accommodate new play equipment.

1. Cradle swings for toddlers
2. Four-way bouncer
3. Basket swing and individual swings for older children
4. Climbing and slide unit for toddlers
5. Climbing and slide unit for older children
6. Inclusive roundabout for all ages
7. Zipline
