

# Online Safety Event for Parents and Carers

**FREE**

## WHAT?

A free session to take a look at **where, why** and **how** our children and teens go online, **where the risks** are and **what we can do to help keep our children safe online**.

We will share information and supports no matter how 'techy' you feel, and of course there will be opportunities for discussion and questions.

## WHO?

Presented by **Hannah Bennett**, who previously worked as a Young Persons worker supporting children at risk of child sexual exploitation.

She has now been working in the field of Child Protection Learning and Development for 6 years and has a particular passion and interest in online safety and how we talk to children and young people about their online worlds.

Also joining us is **Dana Henderson**, Development Officer for Edinburgh Learns Digital, Principal Teacher and CEOP Ambassador.

She has been developing how Cyber Resilience and Internet Safety is taught in our schools, and works closely with teachers to support them to build CRIS into the curriculum.

## WHEN?

**Wednesday**  
**Jan 14<sup>th</sup> 2026**  
**6-8pm**

## WHERE?

**Hearts Innovation  
Centre,  
Tynecastle, Edinburgh**

**Book your  
space here:**

**Due to the nature of this session, this event is not  
suitable for children**
